ENDORSEMENT

Malcolm Radke,
CEO
Lloydminster Region
Health Foundation

"On behalf of everybody here at the foundation and at the hospital thank you very much to the Ahmadiyya Muslim Community for stepping up to help us fundraise for new ophthalmology scopes. This particular piece of equipment is used in specialized eye surgery and particular cataract eye surgery and it's used by a lot of seniors in our community. The current piece of equipment they are operating on is getting old, so as a result its failing and a lot of our patients are sent out of town to nearby communities Really excited for the walk, I think its going to be a great day, good excuse for everybody to get out, get some exercise, have some laughs, meet some people and raise some money for an important cause.

Thank you very much!
to the Ahmadiyya Muslim Community and every body involved."

MAYOR OF THE CITY OF LLOYDMINSTER

His Worship
Gerald Albers,
Mayor of the
City of Lloydminster

"Run for Lloyd" is an event to raise money for a new ophthalmology microscope for the Lloydminster Hospital.

Our Hospital serves not just the residence of the city of Lloyd but the surrounding area and this new microscope will help people that require eye surgeries and have them done with the state of the art equipment here in Lloydminster.

I hope you consider taking time to be part of "Run for Lloyd." The event is scheduled for Saturday September 22nd at Bud Miller Park.

Run from the 9:30 registration, 10am start and you should be all wrapped up by noon. We hope you'll consider attending.

This event is being hosted by The Lloydminster Health Foundation as well as the Ahmadiyya Muslim Community.

I'd like to thank both of the organizations for stepping forward to help raise money for this worthy and needed piece of equipment, for our hospital and for the health care of the people of Lloydminster and area."
